DUNPAR

Better by the Kingsway.

A boutique luxury rental residence in the heart of the Village, Kingsway Village Square on Prince Edward is a rare gem within the crown of downtown living. Professionally space-planned and decorated, with a refined mix of brickwork, mouldings and elevated masonry finishes, it's a rental residence unlike any other in the city. Interiors are also better by design. 10-foot ceilings provide the ultimate in airy ambiance, matched only by the sprawling, scenic city-views and lush landscaping.

A prestigious address surrounded by a plethora of parkland and amenities, Kingsway Village Square is just the first of what's to come for Dunpar on Prince Edward.
